

Pitot-Static Adapters

The New Industry Standard

Announcing Our New Line Of Hassle-Free,
Innovative Pitot And Pitot-Static Adapters

A solid connection between the Pitot probe and the Air Data Test Set is the essential foundation for accurate avionics evaluation. At AIRR Engineering, we understand this necessity and design tools to effectively and efficiently meet the purpose.

Starting with a clean sheet of paper and no restrictions, we have created Pitot and Pitot-Static adapters to reset the benchmark. Patent Pending
